

# Stock Exchange Announcement

## Electronic monitoring contracts

**4 November 2013**

Serco Group plc (Serco), the international service company, today notes the announcement by the Director of the Serious Fraud Office (SFO) that it has opened an investigation into the electronic monitoring contracts which commenced in 2005.

Serco confirms that it will cooperate fully with the SFO investigation.

**Ends**

### **About Serco**

Serco is an international service company, which combines commercial know-how with a deep public service ethos.

Around the world, we improve essential services by managing people, processes, technology and assets more effectively. We advise policy makers, design innovative solutions, integrate systems and - most of all - deliver to the public.

Serco supports governments, agencies and companies who seek a trusted partner with a solid track record of providing assured service excellence. Our people offer operational, management and consulting expertise in the aviation, BPO, defence, education, environmental services, facilities management, health, home affairs, information and communications technology, knowledge services, local government, science and nuclear, transport, welfare to work and the commercial sectors.
